

# Energy Innovator Award Nominations

Do you know a Young Person, Individual, Business or Organization who deserves special recognition for energy innovation? Use this form to nominate them for ReThink Energy Florida's Energy Innovator Award!

**Nominee (Who deserves this year's Energy Innovator Award?):** \_\_\_\_\_

**Award Category (Circle One)**      Youth (under 18 years old)      Business or Organization      Individual

**What City are they in?** \_\_\_\_\_

### Reasons for Nominating - Engage, Educate, and/or Empower

How do they engage in the community to promote sustainability and energy issues? How do they educate others on sustainability and energy issues? How do they empower others on sustainability and energy issues? - Please try to address all three categories/ questions (For example: leading in community organizations, promoting sustainability, teaching others about sustainability and energy issues, moving others to action, inspiring people to make changes in their personal lives and community, bringing others to rallies and letter writing parties, etc.)
